

NATIONAL ASSOCIATION OF COLLEGE AND UNIVERSITY RESIDENCE HALLS, INC.

"Student Voice in the Residence Halls"

Board of Directors

Date: July 18th, 2011

To: NACURH Inc.

From: Laura Imbirowicz, National Chair

This memo will describe the National committees for the year in an effort to help all individuals applying get a better sense of what to look forward to.

Committees will function as follows:

- Reports will be collected at Semis and the Annual conference.
- Each committee will have a National Board of Director or National NRHH Board member who Chairs the committee and will directly oversee the operation of the committee
- Regional Board of Director and General Members will have an opportunity to be selected to be the Vice Chair of a committee

Without further ado, here are your National Committees for the 2011-2012 year:

Advocacy

- Institute a monthly awareness campaign on various residential housing issues (alcohol prevention, diversity awareness, ect.) through publication in the NACURH Network Newsletter and case studies.
- Additional projects that the committee finds valid

Corporate Structure

- Assess various aspects of NACURH structure to determine what works and what does not. Create action plans for change.
- Utilize Strategic Planning Retreat Minutes from 2010 in planning processes.
- Additional projects the committee finds valid.

Marketing & Public Relations

- Work with the NSRO with article production for the NACURH Network Newsletter.
- Look at creating innovative and exciting marketing tools for NACURH.
- Additional projects that the committee finds valid.

Corporate Assessment & Development

- Evaluate services that NACURH provides through surveys, interviews, ect.
- Act as a focus group to evaluate benefits/ non-benefits of affiliation with NACURH, Inc. through a comprehensive report of these findings.
- Additional projects that the committee finds valid.

"Student Voice in the Residence Halls"

Board of Directors

Training & Transitioning

- Utilize past committees collections of transition guides to create a unified document for all of NACURH, Inc.
- Look into developing online training modules.
- Additional projects that the committee finds valid.

National Residence Hall Month

- This committee is charged with the task of planning, coordinating, advertising, and evaluating NRHM for NACURH.
- The events of NRHM are intended to celebrate the many accomplishments, experiences, and educational opportunities that occur within the residence halls.
- This committee will be responsible for all details surrounding NRHM.

NRHH Resources

- The NRHH Resources committee will be responsible for evaluating, revising, and updating the resources that NRHH offers, while also creating new ones.
- This committee will focus on resources concerning all aspects of NRHH, in an attempt to make these resources more useful to the Honorary.

NRHH Standards

- This committee is charged with the task of evaluating and further developing the standards within the Honorary.
- This includes but is not limited to: evaluating the effects of the national minimum GPA requirement for induction (increased at NACURH 2009), evaluating OTM judging standards, and evaluating NRHH constitution requirements.
